

You are invited!

Dear Nordic Oculoplastic colleagues,

We have the great pleasure to invite you to the 6th NOSOPRS meeting. As we agreed in Finland it will be held in Stockholm as a one-day meeting on 13th of September 2017.

We have put together a program based on a couple of invited speakers and case presentations. Karen Skjødt has agreed to head a symposium on floppy eyelids. For case presentations we are, of course, dependent on your contribution.

We are grateful to our sponsors Théa Nordic, Medilens, Alcon and Ethicon for facilitating the arrangement.

Kind regards,

Bella Johansson-Iranipour
